### Conversation evening with Rosemary

An informal English language discussion evening for those wishing to practice conversational English. "Fall back in fall and spring forward in spring" is a good phrase to remember when you must turn the clock twice a year. There is also the saying "Time is a funny thing". What is time? How can you run out of time? What do you know about time zones? Let us look into the phenomenon of time and how it is kept or not. This program is free of cost.

### Bruce Springsteen: Rocking the Wall

25 Jahre nach dem Berliner Mauerfall – 25 Years after the fall of the Berlin Wall. Did Bruce Springsteen help tear down the Berlin Wall? American journalist Erik Kruschbaum takes his audience back to the Springsteen's concert on 19 July 1988 in East Berlin, when live on stage "The Boss" delivered a courageous speech against the Wall to a record breaking crowd of more than 300,000 delirious young East Germans full of joy and hope. Our speaker spoke to scores of fans and concert organizers on both sides of the wall to unearth and develop this fascinating story. Tonight with lively behind the scenes details from eyewitness accounts, magazines, newspaper clippings and even Stasi files he transports us back in the middle of those heady times shortly before the Berlin Wall fell. Entrance fee 5.00 Euro
