Discover Singapore – slide show presentation

Often referred to as “Paradise on Earth”, Krisztina Sztini together with her family will hold a slide show about their experiences of living on the island of Singapore for several years. The Sztini family were deeply rooted amongst the every-day population, experiencing at first hand the culture shock of customs, behavior and cuisine together with the economic crisis of 2008.

This promises to be a colorful and enlightening presentation with additional material from Vietnam, Cambodia, Malaysia and Indonesia. This is a joint program between the MetClub Stuttgart and the SCC. There are limited seats. Register soonest!

This program is free of cost.
