

We'd like to meet you!

The **Metropolitan Club Stuttgart e.V.** is an international club of young and active members organizing weekly cultural and social programs in and around Stuttgart.

We offer activities for everyone. Our 50 members organize the events themselves, giving us a lively and varied mix of ideas. Although we encourage people to join the club, it's not a requirement – non-members are welcome to attend and organize activities, too. Our regular weekly meetings, usually on Tuesday evenings or at weekends, are free and open to the public.

Here are some examples of recent programs:

- ◆ Slide shows about National Parks in the USA, Pakistan, Australia or South Africa
- ◆ International Get-Together
- ◆ A tour on the Esslingen Wine Wandering Day
- ◆ Lecture: The Story of English
- ◆ Visit of the Tram and Linden Museum
- ◆ Indians and Inuit – The North American Film Festival
- ◆ Kelley Theater
- ◆ International Restaurant Tour
- ◆ Open Air Movies
- ◆ Trips to Lyon, Berlin, Vienna or Paris
- ◆ Ski and Canoe Trips

If you would like to take part in interesting events, meet new friends and have fun, then join us! Our club's language is English – all levels are welcome.

Looking forward to seeing you! Want to learn more?
