

**METROPOLITAN
CLUB
STUTT GART E.V.**

Member of the Deutsch-Amerikanisches Zentrum (DAZ)/James-F.-Byrnes-Institut e.V., Stuttgart

Hello!

The Metropolitan Club Stuttgart e.V. is an international club of young and active members, organizing weekly cultural and social programs in and around Stuttgart. The club was founded over 50 years ago to foster the idea of international understanding and the exchange of cultural values through activities held in the English language.

We offer programs for everyone. Our 50 members organize the events themselves, giving us a lively and varied mix of ideas. Although we encourage people to join the club (discounts for special outings or admission fees are just part of the member benefits), it's not a requirement – non-members are welcome to attend and organize activities too. Our regular weekly meetings are free and open to the public. We usually meet on Tuesday evenings at 19:30 h as well as some weekend mornings and afternoons at the Deutsch-Amerikanisches Zentrum (DAZ), Charlottenplatz 17, in central Stuttgart (the "Amadeus" pub is in the same building – just go to entrance 3 in the inner courtyard). **Please check our current program for exact details, since sometimes our meetings take place at other locations or times.**

The monthly program guide is published on our homepage (www.MetClub.de) and is emailed to those interested – it includes a brief description of the upcoming events and a contact person.

To give you a better idea what to expect, here's a list of some popular recent programs:

- ◆ Slide shows about National Parks in the USA, Pakistan, Australia or South Africa
- ◆ International Get-Together, Brunches
- ◆ A tour on the Esslingen Wine Wandering Day
- ◆ Lecture: The Story of English
- ◆ Visit of the Tram and Linden Museum
- ◆ Indians and Inuit – The North American Film Festival
- ◆ Kelley Theater
- ◆ International Restaurant Tour
- ◆ Open Air Movies
- ◆ Trips to Lyon, Berlin, Vienna or Paris
- ◆ Ski and Canoe Trips

Our organization is non-profit and charges only nominal annual dues in order to support the club's operations, including to:

- defray the costs of hosting programs, facility or equipment rental, transportation, etc.
- advertise to generate interest in programs and to recruit new members
- provide discounts to members for various public events
- cover any miscellaneous expenses incurred in operating the club.

If you would like to take part in interesting events, meet new friends and have fun, then join us! Just visit our website www.MetClub.de for more information.

Our club's language is English – all levels are welcome.

Looking forward to meeting you!
The President of the Metropolitan Club
